A SureStart Children's Centre

30th March 2009

Dear Sir/Madam,

Thank you so much for your kind donation towards our raffle for our Easter Fun Day held on Saturday.

The fund raising event was a resounding success raising £1200 which will be used to buy equipment to help set up our outdoor areas for Continuous Provision across the whole Centre. This will enable the children to explore, learn and develop skills.

We acknowledge that you are frequently asked for donations, we appreciate that you were able to support us this time and we look forward to your continuing support.

Thank you again.
